PROGRAM DESCRIPTION

The industry standard in food safety training and certification, ServSafe® Food Safety Manager Certification, provides training and certification for food handlers as required by the Commonwealth of Pennsylvania. Upon successful completion, participants will receive instructions on how to access their ServSafe certificate online. Montgomery County Community College is an approved course provider for Montgomery, Bucks, and Philadelphia counties, with successful completion valid towards application for certification in all three counties. Additionally, a reciprocity agreement between Montgomery and Chester counties allows successful participants to apply for certification in Chester County upon completion. ServSafe classes for the Fall 2015 semester are currently offered at The Culinary Arts Institute, 1400 Forty Foot Road Lansdale.

***All ServSafe classes except the Re-test course #BICEC 1035 require the student purchasing the ServSafe Book (which includes the Scantron sheet for taking the exam) OR the Scantron sheet separately PRIOR TO the class dates. Both of these items are available at the College Bookstore at the Montgomery County Community College Central Campus in Bluebell. Email bookstore@mc3.edu or call 215-641-6600
