International Admissions

This application packet is for students applying for admissions to Montgomery County Community College AND will need an I-20, Certificate of Eligibility Form. All other students (US Citizens, Permanent Residents, and other visa classes) can apply for admissions online at www.mc3.edu/admissions or download the paper application.

Montgomery County Community College welcomes you and is pleased to help you meet your educational goals. The College accepts students applying from overseas outside the US, current F-1 students enrolled at other institutions in the US, and students currently applying for Change of Nonimmigrant Visa Status with USCIS.

Admissions Deadlines

THIS FORM AND REQUIRED DOCUMENTS MUST BE SUBMITTED BY THE APPLICATION DEADLINES:

**Overseas Applicants**
If you are applying directly from your home country, July 15 for Fall Semester & December 1 for Spring Semester

**Transfer Applicants**
If you are transferring from another institution, you may transfer in prior to the start date of the semester if your institution releases you and the application is submitted in a timely fashion. More information is listed below.

To transfer from another school, the student must first notify the foreign student advisor at their current school that they intend to transfer to Montgomery County Community College. Upon notification, that current school will update the student’s record in SEVIS as a “transfer out” and set a transfer date. The current school will retain control over that record until the transfer is complete. Let the advisor know that the College’s school code is PHI214F00317000. On that specific release date, the College will be granted full access to, and become responsible for the student’s SEVIS record.

After the release date, the College will complete the transfer and issue the student a new I-20 once your application is complete. Once the student enrolls in classes, the College will update their SEVIS record to reflect the new registration and current address.

Housing Information

Montgomery County Community College does not have on campus housing; however, the College offers an affordable housing option through our partnership with Gwynedd-Mercy University. The distance between the two campuses is about 3 miles and takes about 5 minutes car ride. For more information about GMercyU housing, please visit www.mc3.edu/housing.

If you have personal contacts that live close to the College, we strongly encourage you to discuss housing options with them. The College can also provide a list of near campus apartments or rooms to rent, but it is students’ responsibility to find their own housing as well as transportation to the school. You should contact the ESL/International Student Services to receive information on local housing, if no arrangements have been made.

Processing

Upon receipt and approval of all completed and signed documents, the College will send the student a Letter of Admissions and an I-20, Certificate of Eligibility Form. Students overseas must take the I-20 and current passport to the nearest United States Consulate to obtain a student visa. If approved, the student is expected to arrive at the College at least three to four weeks prior to the start of classes. Students applying for Change of Status or Transfer should contact ESL and International Student Services at the Student Success Center to make arrangements to sign and process their I-20 as appropriate. A copy of the stamped and approved I-20 form must be submitted to the Office of Admissions.

English Proficiency Requirement:

For Overseas Applicants:

MCCC accepts one of the following test options to determine students’ English language proficiency level prior to arrival to the US.

1. TOEFL (Test of English as a Foreign Language)
2. IELTS (International English Language Testing System)
3. MCCC’s Virtual Placement Test: Instead of TOEFL or IELTS test, students have the option to take the MCCC’s ESL placement test online in their home country. The fee of the virtual testing is $25. Students who choose this option must contact the ESL/International Student Services to set-up the test.

Testing for English Language proficiency is highly recommended for overseas students for an appropriate placement, however, it is not mandatory. Students, who have no sufficient test scores, will receive an ESL I-20 from MCCC and will take the ESL placement test upon arrival to the US.

For Transfer Students:

Students transferring from another institution in the US can submit a TOEFL/IELTS score report OR visit the campus to take the placement test. There is no minimum required score for admission to the College. TOEFL/IELTS scores are for placement purposes only. Scores and ESL course placements are below.

Acknowledgement of F-1 Responsibilities

Now that you are planning to be a student, follow these U.S. visa and entry rules:

1. **YOU MUST** enter the U.S. with an F-1 student entry visa (unless you are Canadian or from a country that is visa-exempt).
2. **YOU MUST** enter the U.S. with the Certificate of Eligibility issued by the university or school you plan to attend.
3. **DO read page 3 of your I-20.** You will be required to sign your certificate on page 1. The section above your signature indicates that you have read and agree to comply with the information explained on page 3. You should carefully read page 3 before you sign page 1.
4. **DO NOT attempt to enter the U.S. more than 30 days before the “report date” listed on your I-20.**
5. **DO NOT enter the U.S. as a visitor showing a roundtrip airline ticket.** Visitors who choose to enter the U.S. without a visa are permitted to stay for 90 days with no extensions or changes of status allowed. You must have an F-1 student entry visa with you when you enter the U.S., unless you are visa-exempt.
6. **DO NOT enter the U.S. without having arranged for housing.**

Once you become a student at Montgomery County Community College, you must follow these additional rules:

1. **YOU MUST** have international student health insurance by the first day of the semester.
2. **YOU MUST** submit documentation to the College that you have had the required schedule of immunizations and screenings within 60 days from your arrival in the US or your SEVIS transfer.
3. **YOU MUST** maintain a full-time course load (12 credits or more per semester each Fall and Spring).
4. **DO NOT** enroll in more than 3 credits of online courses unless approved by a foreign student advisor.
5. **DO NOT** withdraw from a course without permission from a foreign student advisor.
6. **DO NOT** expect to receive financial assistance or to work in the US.
7. **DO NOT** accept employment off campus unless approval has been received from USCIS. F-1 students are limited to 20 hours of on-campus work at Montgomery County Community College per week.
8. **YOU MUST** inform your F-2 dependents that they are not allowed to work and cannot study to earn a college level degree.
9. **YOU MUST** maintain a valid passport and I-94 card
10. **YOU MUST** update SEVIS and notify the college of any change in your legal name, address, major, or F-2 dependents.
11. **YOU MUST** file non-resident tax forms each year as required by federal regulations.
12. **It is your responsibility to keep your status legal and current in the United States**

I have carefully read the Acknowledgement of F-1 Responsibilities and maintaining these rules and this is an acknowledgement that I understand the requirements of my F-1 status and my responsibilities as an F-1 student while at MCCC. Furthermore, I understand that working off campus without written authorization from USCIS in the form of the Employment Authorization Document (card), or written authorization from the USCIS in the form of Admissions in the
case of CPT, is a major F-1 status violation. I understand that if my F-1 student status is violated in any way, I will not be eligible to receive any benefits or privileges granted to F-1 students. If I am ever unsure about employment restrictions regarding my status or my responsibilities as an F-1 student, I know that I should consult my foreign student advisor at the Student Success Center before taking any action that may jeopardize my ability to remain in the US to study.

Acceptable Types of Financial Documentation

You must present evidence that you have adequate funds: that you and your parents (or other sponsor) are willing and able to generate sufficient funds for your entire course of study, and that you would not leave school for financial reasons or work illegally in the United States.
