Conferring of Associate Degrees and CertificatesDr. Karen A. Stout

Alumni WelcomeDr. Celeste Schwartz

Closing RemarksDr. Karen A. Stout

Recessional*Montgomery County Community College Chamber String Ensemble

Audience Protocol

Please remain at your seat during the entire ceremony, until the recession is complete. Graduates will be able to meet their guests at the reception in College Hall.

If you wish to take photographs, you must do so from your seat. A professional photographer will take photos of each graduate on stage. Please keep all aisles clear throughout the ceremony.

For your safety and security, no backpacks, coolers or any soft sided bag larger than 16”x16”x8” will be permitted in the event area. Guests bringing these items will be asked to return them to their vehicles.

For your convenience, live streaming of Commencement can be viewed in Room 144 within the College Hall Building.

The Commencement Committee would like to give a special thank you to the Montgomery County Community College Police Academy Cadets for their assistance in the 2014 Commencement Ceremony.

* The audience is requested to rise.

Commencement Address

Dr. Lee Bender

Professor of Economics Dr. Lee Bender has been engaging Montgomery County Community College students and faculty for 46 years. Hired in 1968, he played a critical role in shaping the College's early years in Conshohocken, and its subsequent growth in Blue Bell and Pottstown.

In 1989, Dr. Bender was appointed as the Dean of the College's Division of Business and Computer Science, a position he held until 2007, when he went back to teaching as a full-time Professor of Economics. Throughout his tenure, he is credited as being the College's first-ever Earth Day speaker in 1970; developing the initial proposal for the Center for Teaching and Learning, which has since become the Center for Faculty Development; introducing more than 100 new courses into the College's Business and Computer Science curriculum; and teaching the first fully-online Economics course.

Today, Dr. Bender is the faculty coordinator for Economics and Accounting disciplines, and he serves as a member of the Middle States Accreditation Steering Committee, the All-College Distance Education Committee, the 50th Anniversary Committee, and the College's Speakers Bureau. He was also a member of the statewide committee charged with developing articulation agreements between Pennsylvania's community colleges and the State System of Higher Education institutions for Business Administration. Off campus, Dr. Bender serves as a Board Member and Secretary for the Center for Art in Wood, located in Philadelphia.

Dr. Bender holds a B.A. in Economics and Math from the College of Wooster, an M.B.A. in Finance from the Wharton School at the University of Pennsylvania, and a Ph.D. in Monetary Theory, International Trade, and Finance from Temple University.

Commencement Address

Dr. Celeste Schwartz

Dr. Celeste Schwartz graduated with an associate's degree in data processing from Montgomery County Community College in 1970. She has since dedicated her entire professional career to the students, faculty and staff of Montgomery County Community College, working her way up from a support staff key-punch operator to her current position as Vice President for Information Technology and College Services.

Dr. Schwartz has led the College's Information Technology Department since 1977 in a variety of administrative positions, and she is credited with writing the College's very first course registration system. She also taught Computer Sciences courses as an Adjunct Instructor for 19 years.

Today, in her role as Vice President, Dr. Schwartz is responsible for academic and administrative technology, technology infrastructure, telephony, technology-supported process improvements, sustainability efforts, and College-wide services, such as event scheduling, bookstore, and food services. She is also the College's Right to Know Officer, and she serves as Co-Chair of the President's Climate Commitment Advisory Council and as a member of the College's Health Science Center Steering Committee, Computer Science Advisory Board, and the Information Technology All-College Committee. Off campus, she is a member of KINBER's Board of Directors, The Pathway School Board, Ellucian CIO Strategic Advisory Council, and The Rotary Club of Blue Bell, among others. She is active in her field, serving on EDUCAUSE committees, presenting nationally on reporting and analytics, and consulting for other community colleges on Information Technology staffing, support, and technology.

In addition to her A.A.S. from Montgomery County Community College, Schwartz holds a B.S. in Business Administration from Saint Joseph's University, an M.S. in Computer Science from Villanova University, and a Ph.D. in Higher Education Administration from Walden University. In 2002, she was inducted into the College's Alumni Hall of Fame.

Wanda Campbell Memorial Award - Takia Paschall

Commencement Traditions

History of the College

Montgomery County Community College opened its first school term on October 3, 1966 with 17 faculty members, a library of 500 books, and an enrollment of 428 students in the former Conshohocken High School. Today, the College enrolls more than 24,000 credit students annually at two campuses. The Central Campus is located in Blue Bell, and the West Campus is located in Pottstown. In fall 2013, the College also opened a Culinary Arts Institute in Lansdale.

Founded in 1964, and accredited by the Middle States Association of Colleges and Secondary Schools, the College has grown with the community to meet the lifelong learning needs of Montgomery County. Known for its academic rigor and based on the successes of more than 58,000 alumni, the College is consistently among the top in the nation for its use of technology by the Center for Digital Education. The College boasts a nationally recognized faculty and a comprehensive curriculum that includes more than 100 associate degree/certificate programs, as well as specialized workforce development training and certifications.

The College is one of only 66 institutions in the country to be designated as an Achieving the Dream Leader College for its work to improve student learning outcomes and success. In 2014, the College earned Achieving the Dream's Leah Meyer Austin Award – one of the most prestigious awards bestowed on a community college – for its commitment to building whole-college solutions to improve student success and equity. It was the first community college in Pennsylvania to sign the College Completion Commitment, spearheaded by the American Association of Community Colleges (AACC) and the Association of Community College Trustees (ACCT) among other organizations. It has been ranked among the top 15 percent of military-friendly schools in the country by *Victory Media* for the past five years, and has received national accolades from Second Nature for its sustainability efforts.

The Commencement Ceremony

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of the Pomp and Circumstance to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 47th commencement, is proud to continue the traditions of the centuries.

As the procession begins, an honorary marshal bearing the College Mace leads the students, faculty, administration, the Board of Trustees and their platform guests down the aisles. The Mace, a symbol of wisdom and strength, represents power and is from a combination of a weapon of the Middle Ages and a king's scepter.

Mace and Presidential Medallion

Originally a weapon of war, over time the Mace has been transformed into a symbol of the authority and purpose of the College. The headpiece of the Montgomery County Community College Mace consists of two female and two male figures topped by a golden orb. This orb symbolizes the ideal of knowledge held up by the four ages of man: childhood, youth, middle age and old age, suggesting the breadth of the constituency of the College. This sits upon an octahedron in which the seal of the College is embedded. The shaft of the Mace is wrapped with a silk cord in black, white, yellow and red. These colors have been chosen to represent the races of man whom the College is equally dedicated to serve. Tied to the wooden shaft are ribbons of red, white and blue representing our nation, ribbons of blue and gold representing the State of Pennsylvania and ribbons of silver and garnet, the Montgomery County Community College colors. The bottom of the shaft is made of stainless steel and symbolizes the hardness and strength of our resolve to support the ideal of knowledge for our constituency. The Ceremonial Mace was completed for Montgomery County Community College's 2002 graduation exercises.

As part of her Inaugural Celebration, the students of Montgomery County Community College commissioned a Presidential Medallion that was presented as a gift to Dr. Stout. This medallion depicts a Roman torch flanked by an open book on one side and a computer chip on the other. It is meant to represent the continuity of civilization through old and new ways of preserving and disseminating knowledge. Engraved on the back of the medallion are names and dates of tenure for every president of Montgomery County Community College.

Both the Mace and Presidential Medallion were designed by retired Professor Bernard Mangiaracina.

Commencement Traditions

Academic Regalia

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth century castles. Over the years, robe styles and colors have taken on certain exact meanings.

Gowns for those seeking the associate and bachelor's degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Master's degree gowns have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of the master's gown are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Doctoral gowns are also worn open or closed. These gowns are distinguished by bell shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

The Hood

It is the hood that gives color and definitive meaning to the academic costume. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer.

Gold Stoles and Tassels

The gold stoles and tassels worn by some of the College's students indicate that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

Silver Stoles

Silver stoles are worn by the College's Honors Program graduates. Honors Program students complete 18 credits of Honors coursework and participate in extensive intellectual and community service activities.

Blue Stoles

The blue stoles worn by some of the College's graduates indicate these students have or are currently serving in the armed forces. The stole which is embroidered with the words, "Valor & Respect" symbolizes our veteran students' dedication and service to our nation.
