**Closing Remarks** .....Dr. Karen A. Stout

**Recessional\*** .....Montgomery County Community College Chamber String Ensemble

## Audience Protocol

Please remain at your seat during the entire ceremony, until the recession is complete. Graduates will be able to meet their guests at the reception in College Hall.

If you wish to take photographs, you must do so from your seat. A professional photographer will take photos of each graduate on stage. Please keep all aisles clear throughout the ceremony.

For your safety and security, no backpacks, coolers or any soft sided bags larger than 16”x16”x8” will be permitted in the event area. Guests bringing these items will be asked to return them to their vehicles.

For your convenience, live streaming of Commencement can be viewed in Room 144 within the College Hall building.

*The Commencement Committee would like to give a special thank you to the Montgomery County Community College Police Academy Cadets for their assistance in the 2015 Commencement Ceremony.*

**\* The audience is requested to rise.**

---

## Commencement Address

---

**Lynn Utter**

Lynn Utter is a distinguished business and community leader. She most recently served as President and Chief Operating Officer of Knoll, Inc., headquartered in Montgomery County and recognized worldwide as a leading designer and manufacturer of branded furniture and textiles. The company specializes in innovative and modern designs for work and residential environments.

Visionary leaders, like Ms. Utter, are transforming the role of workforce development in building vibrant, educated and engaged communities. Through her outreach efforts, Knoll—like Montgomery County Community College—was an early partner with the PerkUp Workforce Consortium, a unique collaboration of business and industry leaders, government officials and educators working together to develop a 21st century workforce for the Upper Perkiomen Valley.

Before joining Knoll, Ms. Utter worked in a variety of operating and strategic positions at Coors Brewing Company and Frito-Lay, and she performed management consulting in Washington, D.C. She is a Henry Crown Fellow at the Aspen Institute and has held leadership roles with a number of organizations that support the advancement of women in the workplace.

Ms. Utter currently serves as a director for WESCO International and on the Internal Audit Committee for The University of Texas. She has also served on several non-profit boards, including Stanford Graduate School of Business, The University of Texas and the United Way.

Among her many accolades, Ms. Utter received the 2015 Paradigm Award from the Greater Philadelphia Chamber of Commerce. She was inducted into the McCombs School of Business Hall of Fame and was recognized as an Outstanding Young Texas Executive. In addition, she received the John Gardner Award for Service, as well as the Award of Merit from Stanford.

Ms. Utter holds a Bachelor of Business Administration from The University of Texas at Austin, and a Master of Business Administration from the Stanford Graduate School of Business.

---

## In Appreciation

---

**Dr. Karen A. Stout**

As Montgomery County Community College celebrates the success of its 2015 graduates, the entire college community also honors and celebrates the leadership of Dr. Karen A. Stout, whose vision during her 14 years as the institution's President, firmly established student access, success and completion as top institutional priorities.

Dr. Stout challenged faculty, staff and community stakeholders to connect their daily tasks with the College's student success work, and soon, access, success and completion became woven into the institution's culture. As a result, enrollment grew by 30 percent and the number of graduates increased by 70 percent during Dr. Stout's tenure.

Under her leadership, Montgomery is recognized nationally as an Achieving the Dream Leader College for many of its programs and initiatives designed to improve access and success. Examples include a Minority Student Mentoring Initiative, financial literacy education, reimagined student entry and advising processes, educational planning tools, peer mentoring, and a new approach to developmental education.

Many of those initiatives resulted from Dr. Stout's frequent engagement with students. She gave students a voice by adding student representation to all college-wide committees, and she provided several opportunities each semester for students to share their ideas and concerns over lunch during a popular "Wraps with the President" program. She also hosted more than 500 episodes of "Montgomery County Community College On The Air," a weekly radio program produced by Communication students.

On any given day, one can find Dr. Stout directly supporting students: cheering for the Mustangs athletics teams, attending music and dance performances, participating in GED graduations and Phi Theta Kappa induction ceremonies, stopping by classroom presentations, and even trading places with students during an annual "President for a Day" program.

Early in her tenure, Dr. Stout established integrated Student Success Centers, providing students with streamlined access to academic advising, counseling, job placement support and transfer evaluation in a central and prominent location at each campus. The centers are a physical representation of her passion for student access, success and completion. To honor and thank Dr. Stout for her dedication to student success, the Central Campus center now bears a new name: The Karen A. Stout Student Success Center.

Dr. Stout will begin the next chapter of her professional career on July 1, 2015 as President and CEO of Achieving the Dream, Inc., a national, non-profit student success reform network that serves more than 200 community colleges and nearly four million students in 35 states. The entire Montgomery County Community College family—Trustees, students, faculty, staff, alumni and friends—thank Dr. Stout for her 14 years of leadership and dedication and wish her the best of luck in her national role at Achieving the Dream.

## *History of the College*

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members, a library of 500 books, and an enrollment of 428 students in the former Conshohocken High School. Today, the College enrolls more than 24,000 credit students annually at two campuses. The Central Campus is located in Blue Bell, and the West Campus is located in Pottstown. In fall 2013, the College also opened a Culinary Arts Institute in Lansdale.

Founded in 1964, and accredited by the Middle States Association of Colleges and Secondary Schools, the College has grown with the community to meet the lifelong learning needs of Montgomery County. The College boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree/certificate programs, as well as specialized workforce development training and certifications. The College is proud of the successes of its more than 58,000 alumni.

The College is one of only 77 institutions in the country to be designated as an Achieving the Dream Leader College for its work to improve student learning outcomes and success. In 2014, the College earned Achieving the Dream's Leah Meyer Austin Award – one of the most prestigious awards bestowed on a community college – for its commitment to building whole-college solutions to improve student success and equity. It was the first community college in Pennsylvania to sign the College Completion Commitment, spearheaded by the American Association of Community Colleges (AACC), the Association of Community College Trustees (ACCT) and Phi Theta Kappa International Honor Society among other organizations. The College is also recognized by national organizations for its leadership in the areas of sustainability, veterans services, technology, community service and academic innovation.

## *The Commencement Ceremony*

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of “Pomp and Circumstance” to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 48th commencement, is proud to continue the traditions of the centuries.

As the procession begins, an honorary marshal bearing the College Mace leads the students, faculty, administration, the Board of Trustees and their platform guests down the aisles. The Mace, a symbol of wisdom and strength, represents power and is a combination of a weapon of the Middle Ages and a king's scepter.

## *Mace and Presidential Medallion*

Originally a weapon of war, over time the Mace has been transformed into a symbol of the authority and purpose of the College. The headpiece of the Montgomery County Community College Mace consists of two female and two male figures topped by a golden orb. This orb symbolizes the ideal of knowledge held up by the four ages of man: childhood, youth, middle age and old age, suggesting the breadth of the constituency of the College. This sits upon an octahedron in which the seal of the College is embedded. The shaft of the Mace is wrapped with a silk cord in black, white, yellow and red. These colors have been chosen to represent the races of man whom the College is equally dedicated to serve. Tied to the wooden shaft are ribbons of red, white and blue representing our nation, ribbons of blue and gold representing the Commonwealth of Pennsylvania and ribbons of silver and garnet, the Montgomery County Community College colors. The bottom of the shaft is made of stainless steel and symbolizes the hardness and strength of our resolve to support the ideal of knowledge for our constituency. The Ceremonial Mace was completed for Montgomery County Community College's 2002 graduation exercises.

For Dr. Stout's Inaugural Celebration, the students of Montgomery County Community College commissioned a Presidential Medallion that was presented as a gift to Dr. Stout. This medallion depicts a Roman torch flanked by an open book on one side and a computer chip on the other. It is meant to represent the continuity of civilization through old and new ways of preserving and disseminating knowledge. Engraved on the back of the medallion are names and dates of tenure for every president of Montgomery County Community College.

Both the Mace and Presidential Medallion were designed by retired Professor Bernard Mangiaracina.

## *Academic Regalia*

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth century castles. Over the years, robe styles and colors have taken on certain exact meanings.

Gowns for those receiving associate's and bachelor's degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

## *The Hood*

It is the hood that gives color and definitive meaning to the academic costume. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer.

## *Gold Stoles and Tassels*

The gold stoles and tassels worn by some of the College's students indicate that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

## *Silver Stoles*

Silver stoles are worn by the College's Honors Program graduates. Honors Program students complete 18 credits of Honors coursework and participate in extensive intellectual and community service activities.

## *Blue Stoles*

The blue stoles worn by some of the College's graduates indicate these students have or are currently serving in the armed forces. The stole which is embroidered with the words, "Valor & Respect" symbolizes our veteran students' dedication and service to our nation.
