staff and student volunteers for their assistance in the 2017 Commencement Ceremony.*

#mc3grad

Student Address

Natalie Lang

While studying at Montgomery County Community College, Natalie Lang not only excelled academically but also discovered a passion for community service that she is dedicated to continuing in her career.

A resident of Flourtown, Pa., Lang is graduating from MCCC with a 3.8 grade point average and an associate's degree in Dental Hygiene.

Lang became involved early as a student, participating in Children's Dental Sealant events organized by the Dental Hygiene program, and volunteering in low-cost community health dental clinics, such as the Ann Silverman Clinic and Community Volunteers in Medicine, to provide dental hygiene care to residents in need. She also conducted several self-directed dental education presentations throughout the region.

"It was because of my involvement in MCCC's Dental Hygiene program that I've come to realize my need for helping those who are less fortunate as part of my future professional life," Lang said. "I can truly say that I've found great value in all of the opportunities provided to me here, and I like to think that I've truly utilized my experience at MCCC to its fullest potential."

A 2008 graduate of Tyrone Area High School, Lang is the daughter of Barbara Neumuller and David Lang.

While every effort is made to ensure accuracy in the commencement program, printing deadlines sometimes prevent inclusion of candidates' names or may result in the use of names of persons not meeting graduation requirements. All honors indicated in this program are tentative. Official honors for diplomas and transcripts will be determined after final grades are reported. This printed program, therefore, should not be used to determine a student's academic degree status. A student's official transcript serves as the only definitive documentation of a student's academic degree status.

Commencement Traditions

History of the College

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members, a library of 500 books, and an enrollment of 428 students in the former Conshohocken High School. Today, the College enrolls more than 18,000 credit students annually. The College operates two campuses — the Central Campus in Blue Bell and the West Campus in Pottstown — as well as a Culinary Arts Institute in Lansdale.

Founded in 1964, and accredited by the Middle States Association of Colleges and Secondary Schools, the College has grown with the community to meet the lifelong learning needs of Montgomery County. The College boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree/certificate programs, as well as specialized workforce development training and certifications. The College is proud of the successes of its more than 58,000 alumni.

An Achieving the Dream (AtD) Leader College, Montgomery County Community College is positioned at the vanguard of national efforts to increase completion, improve learning outcomes and remove barriers to access for students. In 2016, the Center for Digital Education ranked the College as the top community college in the nation for its use of technology. In addition, the College was named a 2017 Most Promising Places to Work in Community Colleges for its work to enhance equity, diversity and inclusion. The College is also recognized regionally and nationally for its sustainability leadership, work with military veterans and community service and service learning opportunities.

The Commencement Ceremony

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of “Pomp and Circumstance” to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 50th commencement, is proud to continue the traditions of the centuries.

As the procession begins, an honorary marshal bearing the College Mace leads the students, faculty, administration, the Board of Trustees and their platform guests down the aisles. The Mace, a symbol of wisdom and strength, represents power and is a combination of a weapon of the Middle Ages and a king’s scepter.

Mace and Presidential Medallion

Originally a weapon of war, over time the Mace has been transformed into a symbol of the authority and purpose of the College. The headpiece of the Montgomery County Community College Mace consists of two female and two male figures topped by a golden orb. This orb symbolizes the ideal of knowledge held up by the four ages of man: childhood, youth, middle age and old age, suggesting the breadth of the constituency of the College. This sits upon an octahedron in which the seal of the College is embedded. The shaft of the Mace is wrapped with a silk cord in black, white, yellow and red. These colors have been chosen to represent the races of man whom the College is equally dedicated to serve. Tied to the wooden shaft are ribbons of red, white and blue representing our nation, ribbons of blue and gold representing the Commonwealth of Pennsylvania and ribbons of silver and garnet, the Montgomery County Community College colors. The bottom of the shaft is made of stainless steel and symbolizes the hardness and strength of our resolve to support the ideal of knowledge for our constituency. The Ceremonial Mace was designed by retired Professor Bernard Mangiaracina and was used for the first time for the College’s 2002 graduation exercises.

The Presidential Medallion, worn by Montgomery County Community College’s President, is imprinted with the College seal and includes the names of the College’s former Presidents.

Commencement Traditions

Academic Regalia

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth century castles. Over the years, robe styles and colors have taken on certain exact meanings.

Gowns for those receiving associate's and bachelor's degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

The Hood

It is the hood that gives color and definitive meaning to the academic costume. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer. During the College's ceremony, hoods are worn by faculty and staff.

Gold Stoles and Tassels

The gold stoles and tassels worn by some of the College's students indicate that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

Green and Gold Chords

Green and gold chords are worn by the College's Honors Program graduates. Honors Program students complete 18 credits of Honors coursework and participate in extensive intellectual and community service activities.

Blue Stoles

The blue stoles worn by some of the College's graduates indicate these students have or are currently serving in the armed forces. The stole which is embroidered with the words, "Valor & Respect" symbolizes our veteran students' dedication and service to our nation.

Blue and Gold Chords

Blue and gold chords are worn by the College's Future Business Leaders of America-Phi Beta Lambda graduates. Phi Beta Lambda students bring business and education together through innovative leadership and career development programs.
