Student Address

Olivia Slupski

Olivia Slupski is a Liberal Studies major who will be transferring to a four-year university in the fall to double major in Biology and Psychology. After completing her two bachelor degrees, she plans to attend medical school with the goal of becoming a surgeon. She also plans to go to law school, so she can eventually work in the legal system using both her medical and law degrees. During her time at Montco, she has been an active member of the Beta Tau Lambda chapter of the Phi Theta Kappa Honor Society. For the chapter, she has served as the president and has spearheaded their Honors in Action and other college projects. She has represented the student body at college events, including with the Pottstown CARES Organization. She actively serves in the community, working as a volunteer EMT at a local firehouse, volunteering with projects with Philadelphia First Service Platoon, and lending a helping hand to the efforts of the United Way. With her outstanding academic achievements, strong leadership skills and community involvement, Olivia earned the 2018 Commencement Speaker Award and a spot on the All-Pennsylvania Academic Team, receiving a full-tuition scholarship to continue her educational goals. Along with maintaining a high GPA and staying active on campus, Olivia works as a special needs home health aide and is a loving daughter and dedicated friend. In her spare time, she enjoys hiking, traveling, and reading educational books that will help with her future goals. Olivia feels her life purpose is to help people, both now and in the future.

While every effort is made to ensure accuracy in the commencement program, printing deadlines sometimes prevent inclusion of candidates' names or may result in the use of names of persons not meeting graduation requirements. All honors indicated in this program are tentative. Official honors for diplomas and transcripts will be determined after final grades are reported. This printed program, therefore, should not be used to determine a student's academic degree status. A student's official transcript serves as the only definitive documentation of a student's academic degree status.

Commencement Traditions

History of the College

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members, a library of 500 books, and an enrollment of 428 students in the former Conshohocken High School. Today, the College enrolls more than 18,000 credit students annually. The College operates two campuses — the Central Campus in Blue Bell and the West Campus in Pottstown — as well as a Culinary Arts Institute in Lansdale.

Founded in 1964, and accredited by the Middle States Association of Colleges and Secondary Schools, the College has grown with the community to meet the lifelong learning needs of Montgomery County. The College boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree/certificate programs, as well as specialized workforce development training and certifications. The College is proud of the successes of its more than 58,000 alumni.

An Achieving the Dream (AtD) Leader College, Montgomery County Community College is positioned at the vanguard of national efforts to increase completion, improve learning outcomes and remove barriers to access for students. The College was named a 2017 Most Promising Places to Work in Community Colleges for its work to enhance equity, diversity and inclusion. The College also is recognized regionally and nationally for its use of technology, sustainability leadership, work with military veterans and community service and service learning opportunities.

The Commencement Ceremony

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of “Pomp and Circumstance” to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 51st commencement, is proud to continue the traditions of the centuries.

As the procession begins, an honorary marshal bearing the College Mace leads the students, faculty, administration, the Board of Trustees and their platform guests down the aisles. The Mace, a symbol of wisdom and strength, represents power and is a combination of a weapon of the Middle Ages and a king’s scepter.

Mace and Presidential Medallion

Originally a weapon of war, over time the Mace has been transformed into a symbol of the authority and purpose of the College. The headpiece of the Montgomery County Community College Mace consists of two female and two male figures topped by a golden orb. This orb symbolizes the ideal of knowledge held up by the four ages of man: childhood, youth, middle age and old age, suggesting the breadth of the constituency of the College. This sits upon an octahedron in which the seal of the College is embedded. The shaft of the Mace is wrapped with a silk cord in black, white, yellow and red. These colors have been chosen to represent the races of man whom the College is equally dedicated to serve. Tied to the wooden shaft are ribbons of red, white and blue representing our nation, ribbons of blue and gold representing the Commonwealth of Pennsylvania and ribbons of silver and garnet, the Montgomery County Community College colors. The bottom of the shaft is made of stainless steel and symbolizes the hardness and strength of our resolve to support the ideal of knowledge for our constituency. The Ceremonial Mace was designed by retired Professor Bernard Mangiaracina and was used for the first time for the College’s 2002 graduation exercises.

The Presidential Medallion, worn by Montgomery County Community College’s President, is imprinted with the College seal and includes the names of the College’s former Presidents.

Commencement Traditions

Academic Regalia

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth century castles. Over the years, robe styles and colors have taken on certain exact meanings.

Gowns for those receiving associate's and bachelor's degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

The Hood

It is the hood that gives color and definitive meaning to the academic costume. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer. During the College's ceremony, hoods are worn by faculty and staff.

Blue and Gold Cords

The blue and gold cords are worn by the College's Future Business Leaders of America-Phi Beta Lambda graduates. Phi Beta Lambda students bring business and education together through innovative leadership and career development programs.

Gold Tassels

The gold tassels worn by some of the College's students indicate that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

Green and Gold Cords

Green and gold cords are worn by the College's Honors Program graduates. Honors Program students complete a minimum of 9-12 credits of Honors coursework and participate in extensive intellectual and community service activities.

Light Blue and Gold Cords

The light blue and gold cords worn by some of the College's students indicate that they are members of Mu Alpha Theta, the National Two-Year College Mathematics Honor Society. Mu Alpha Theta recognizes students who have completed two or more math courses beyond the pre-algebra level and have a cumulative math GPA of 3.5 or higher.

Rainbow Cords

The rainbow cord signifies diversity and is worn as a sign of solidarity by members of the College community. The rainbow colors reaffirm the College's continuing commitment to diversity and equal opportunity.

Red, White and Blue Cords

The red, white and blue tri-colored cords worn by some of the College's graduates indicate these students have or are currently serving in the armed forces. The tri-colored cord symbolizes our veteran students' dedication and service to our nation.
