## Student Address

---

### Logan Brienne Harrison

Logan Harrison is a Human Services major whose goal is to pursue a career where she can help people and make a positive impact on their lives.

Logan participated in Montgomery County Community College's Gateway to College program, which enabled her to complete her high school requirements and graduate from Pottsgrove High School. She then continued her studies at MCCC, earning a grade point average of 3.5 and receiving an invitation to join Phi Theta Kappa, the international honor society for two-year colleges.

With much determination and persistence, Logan successfully completed her coursework responsibilities while working two part-time jobs and volunteering with the non-profit organization, In Ian's Boots, which provides shoes and boots for people in need. After she receives her associate's degree from MCCC, she plans to explore different career options and then continue her education at Chestnut Hill College.

In addition to being selected for the Commencement Speaker Award, Logan received the Alumni Association Award, which honors graduates who overcome difficult circumstances in pursuit of obtaining higher education. She also received Gateway's Rising Star Award for her determination and exceptional progress as a student.

Looking back at how MCCC helped her to transform her life, Logan wants to reach out and help others change their lives for the better. Whether she works with juveniles in rehabilitation or the elderly who need care, she wants to make a difference for others.

---

## Commencement Address

---

### Dr. Celeste M. Schwartz

Dr. Celeste M. Schwartz has dedicated her 50-year career at Montgomery County Community College to improving students' overall educational experience and academic success through the advancement of innovative technology solutions.

Before starting her career, Dr. Schwartz earned her associate's degree in Data Processing from MCCC in 1970 and was among the first generation in her family to earn a college degree. She started as a support staff computer operator and worked her way up to her current position as Vice President for Information Technology and Chief Digital Officer.

In her role as vice president, Dr. Schwartz is responsible for academic and administrative technology, technology-supported process improvements, sustainability efforts and college construction. Her strategic planning and leadership have been instrumental in several transformative initiatives at MCCC, including an integrated one-stop service experience for students. Currently, she is co-leading MCCC's Student Experience Framework initiative.

Under her leadership, the Center for Digital Education recognized MCCC as a top digital community college 11 times, ranking it three times as first in the nation.

In 2018, Dr. Schwartz received the national EDUCAUSE Leadership Award, which recognizes exemplary leadership that has a significant impact on advancing information technology in higher education. Dr. Schwartz is one of only three community college leaders in the country to receive this award. Locally, she was honored with the 2018 Growth Award at the Women's Lifestyle Conference as an inspirational achiever in her profession.

Throughout her career, Dr. Schwartz has not only mentored students and employees, but also technology leaders, both locally and nationally. Within MCCC's IT Department, more than one-third of the staff are alumni, many of whom started as interns under her guidance.

In addition to her other responsibilities, Dr. Schwartz serves as MCCC's Right to Know Officer, co-chairs the President's Climate Commitment Advisory Council and is a member of MCCC's Science Center Steering Committee, and the Information Technology All-College Committee. Off campus, she is a member of KINBER's Board of Directors, The Pathway School Governance Committee and The Rotary Club of Blue Bell, among others.

Beyond her associate's degree, Dr. Schwartz holds a bachelor's degree in Business Administration from Saint Joseph's University, a master's degree in Computer Science from Villanova University, and a Ph.D. in Higher Education Administration from Walden University. In 2002, she was inducted into MCCC's Alumni Hall of Fame.

In celebration of her 50 years of dedication to students and their success, MCCC has established the Dr. Celeste M. Schwartz Legacy Fund for scholarships in Science, Technology, Engineering, Arts and Mathematics. To make a donation, visit [mc3.edu/legacyfund](http://mc3.edu/legacyfund).

While every effort is made to ensure accuracy in the commencement program, printing deadlines sometimes prevent inclusion of candidates' names or may result in the use of names of persons not meeting graduation requirements. All honors indicated in this program are tentative. Official honors for diplomas and transcripts will be determined after final grades are reported.

This printed program, therefore, should not be used to determine a student's academic degree status. A student's official transcript serves as the only definitive documentation of a student's academic degree status.

## *History of the College*

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members, a library of 500 books, and an enrollment of 428 students in the former Conshohocken High School. Today, the College enrolls more than 18,000 credit students annually. The College operates two campuses — the Central Campus in Blue Bell and the West Campus in Pottstown — as well as a Culinary Arts Institute in Lansdale.

Founded in 1964, and accredited by the Middle States Association of Colleges and Secondary Schools, the College has grown with the community to meet the lifelong learning needs of Montgomery County. The College boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree/certificate programs, as well as specialized workforce development training and certifications. The College is proud of the successes of its more than 65,000 alumni.

An Achieving the Dream (AtD) Leader College, Montgomery County Community College is positioned at the vanguard of national efforts to increase completion, improve learning outcomes and remove barriers to access for students. The College was named a 2019 Most Promising Places to Work in Community Colleges for its work to enhance equity, diversity and inclusion. The College also is recognized regionally and nationally for its use of technology, sustainability leadership, work with military veterans and community service and service learning opportunities.

## *The Commencement Ceremony*

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of “Pomp and Circumstance” to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 52nd commencement, is proud to continue the traditions of the centuries.

As the procession begins, an honorary marshal bearing the College Mace leads the students, faculty, administration, the Board of Trustees and their platform guests down the aisles. The Mace, a symbol of wisdom and strength, represents power and is a combination of a weapon of the Middle Ages and a king’s scepter.

## *Mace and Presidential Medallion*

Originally a weapon of war, over time the Mace has been transformed into a symbol of the authority and purpose of the College. The headpiece of the Montgomery County Community College Mace consists of two female and two male figures topped by a golden orb. This orb symbolizes the ideal of knowledge held up by the four ages of man: childhood, youth, middle age and old age, suggesting the breadth of the constituency of the College. This sits upon an octahedron in which the seal of the College is embedded. The shaft of the Mace is wrapped with a silk cord in black, white, yellow and red. These colors have been chosen to represent the races of man whom the College is equally dedicated to serve. Tied to the wooden shaft are ribbons of red, white and blue representing our nation, ribbons of blue and gold representing the Commonwealth of Pennsylvania and ribbons of silver and garnet, the Montgomery County Community College colors. The bottom of the shaft is made of stainless steel and symbolizes the hardness and strength of our resolve to support the ideal of knowledge for our constituency. The Ceremonial Mace was designed by retired Professor Bernard Mangiaracina and was used for the first time for the College’s 2002 graduation exercises.

The Presidential Medallion, worn by Montgomery County Community College’s President, is imprinted with the College seal and includes the names of the College’s former Presidents.

# Commencement Traditions

---

## *Academic Regalia*

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth century castles. Over the years, robe styles and colors have taken on specific meanings.

Gowns for those receiving associate's and bachelor's degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

## *The Hood*

It is the hood that gives color and definitive meaning to the academic costume. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer. During the College's ceremony, hoods are worn by faculty and staff.

## *Blue and Gold Cords*

The blue and gold cords are worn by the College's Future Business Leaders of America-Phi Beta Lambda graduates. Phi Beta Lambda students bring business and education together through innovative leadership and career development programs.

## *Gold Tassels*

The gold tassels worn by some of the College's students indicate that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

## *Green and Gold Cords*

Green and gold cords are worn by the College's Honors Program graduates. Honors Program students complete a minimum of 9-12 credits of Honors coursework and participate in extensive intellectual and community service activities.

## *Light Blue and Gold Cords*

The light blue and gold cords worn by some of the College's students indicate that they are members of Mu Alpha Theta, the National Two-Year College Mathematics Honor Society. Mu Alpha Theta recognizes students who have completed two or more math courses beyond the pre-algebra level and have a cumulative math GPA of 3.5 or higher.

## *Rainbow Cords*

The rainbow cord signifies diversity and is worn as a sign of solidarity by members of the College community. The rainbow colors reaffirm the College's continuing commitment to diversity and equal opportunity.

## *Red, White and Blue Cords*

The red, white and blue tri-colored cords worn by some of the College's graduates indicate these students have or are currently serving in the armed forces. The tri-colored cord symbolizes our veteran students' dedication and service to our nation.
