Student Address

Ms. Clintaysha Hampton

Clintaysha Hampton began her Montco journey in 2017, after witnessing her mom's struggles with diabetes and believing she could help make a difference for others like her through a career in health care.

After taking some time away for personal reasons, in 2020, she came back to the College with a clear focus. She enrolled in the Medical Assisting Program and soon found the hands-on, fast-paced program was the right fit for her. It gave her the confidence to excel in the classroom.

She credits her 3-year-old daughter Naiomi, for giving her the strength to keep pushing forward and finish her degree. Today she is graduating and has plans to work in a trauma center, after completing an externship this summer. Her goal is to continue her education and one day become an Endocrinologist.

She hopes her graduation speech will inspire others to realize they don't always need to have life figured out from the start. She would like to thank her parents, her daughter, her semester sisters, her instructors and the Montco staff for all they have given her during her college career.

While every effort is made to ensure accuracy in the commencement program, printing deadlines sometimes prevent inclusion of candidates' names or may result in the use of names of persons not meeting graduation requirements. All honors indicated in this program are tentative. Official honors for diplomas and transcripts will be determined after final grades are reported.

This printed program, therefore, should not be used to determine a student's academic degree status. A student's official transcript serves as the only definitive documentation of a student's academic degree status.

Commencement Traditions

History of the College

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members and an enrollment of 428 students in the former Conshohocken High School. Today, students enjoy the flexibility of learning at the College's campuses in Blue Bell and Pottstown, at the Culinary Arts Institute in Lansdale, and online.

Founded in 1964, and accredited by the Middle States Commission on Higher Education, the College has grown with the community to meet the lifelong learning needs of Montgomery County. The College boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree and certificate programs, as well as specialized workforce development training and certifications. The College is proud of the successes of its more than 90,000 alumni.

As an Achieving the Dream Leader College of Distinction, Montgomery County Community College is positioned at the vanguard of national efforts to increase completion, improve learning outcomes and remove barriers to access for all students. For six consecutive years, the College was named one of the Most Promising Places to Work in Community Colleges in the nation for its work to enhance equity, diversity, and inclusion. The College also is recognized regionally and nationally for its innovative technology, sustainability leadership, work with military veterans, and experiential learning opportunities.

The Commencement Ceremony

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of "Pomp and Circumstance" to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 55th commencement, is proud to continue the traditions of the centuries.

Mace and Presidential Medallion

The headpiece of the Montgomery County Community College Mace consists of a golden eternal flame of knowledge embossed with the College seal, which symbolizes lighting the path of success for our students and their academic goals. The flame sits upon the images depicting our College's past, present, and future through our first campus location in Conshohocken, to Blue Bell, and then growth into online learning and Pottstown. The staff is made of wood, which represents the collective strength of our community partnerships, employees, and trustees, bonded together to encompass our mission of serving the educational, workforce and cultural needs of students and County communities.

The Presidential Medallion, worn by Montgomery County Community College's president, is imprinted with the College seal on the front and the president's name on the back. Each side of the chain has three identical ornamental components: the Lamp of Learning, which represents higher education and the continuous search for wisdom and knowledge; the Tree of Life, which represents personal development and growth as an institution forged through our unique and diverse perspectives; and the Hands, which represents our continued commitment to partnerships and building community to drive success for students at the College and beyond. Between each symbol is a red gem, which represents one of the College's primary school colors and the importance of keeping the vision, mission, and values as a central focus of how we live and embody the values of the College in our daily lives.

Commencement Traditions

Academic Regalia

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth-century castles. Over the years, robe styles and colors have taken on specific meanings.

Gowns for those receiving associate's and bachelor's degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell-shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

The Hood

It is the hood that gives color and definitive meaning to the academic attire. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer. During the College's ceremony, hoods are worn by faculty, administrators, and staff.

Gold Double Cord with Blue and Gold Tassels

Students who wear this cord are members of the College's chapter of Psi Beta, a national honor society for students attending two-year colleges, who plan to major or minor in psychology, as well as students who simply have an interest in psychology. Psi Beta students maintain a minimum GPA of 3.25 and have completed a college-level psychology course with a grade of B or higher.

Gold Tassel

The gold tassel worn by some of the College's students indicates that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

Green and Gold Double Cord

Double green and gold cords are worn by the College's Honors Program graduates. Honors Program students complete a minimum of 9-12 credits of Honors coursework and participate in extensive intellectual and community service activities.

Kente Stole

The Kente stole has historical significance for understanding and honoring Black student achievements. It is worn by members of the Black Student Union whose purpose is to educate, unite and inspire the student body by providing cultural awareness pertaining to the Black experience. Membership is open to any student at the College.

Light Blue and Gold Double Cord

The double light blue and gold cords worn by some of the College's students indicate that they are members of Mu Alpha Theta, the National Two-Year College Mathematics Honor Society. Mu Alpha Theta recognizes students who have completed two or more math courses beyond the pre-algebra level and have a cumulative math GPA of 3.5 or higher.

Navy Blue and Grey Cord

The navy blue and grey cord worn by some graduates indicates their membership in the Alpha Alpha Alpha Honor Society for first generation college students. Using the colors of Moravian College, where the society was founded, the colors are intertwined to demonstrate the connection we all have to each other.

Rainbow Cord

The rainbow cord signifies diversity and is worn as a sign of solidarity by members of the College community. The rainbow colors reaffirm the College's continuing commitment to diversity and equal opportunity.

Red and Black Cord

Students graduating with GPA Honors are represented by a single black and red cord for Summa (3.75 to 4.00 GPA), Magna (3.50 to 3.74 GPA) or Cum Laude (3.25 to 3.49 GPA) distinctions.

Red, White and Blue Cord

The red, white and blue tri-colored cords worn by some of the College's graduates indicate these students have or are currently serving in the armed forces. The tri-colored cord symbolizes our veteran students' dedication and service to our nation.

Royal Blue and Gold Double Cord

The double blue and gold cords are worn by the College's Future Business Leaders of America-Phi Beta Lambda graduates. Phi Beta Lambda students bring business and education together through innovative leadership and career development programs.
