Student Address

Zachary Denmark

Zachary Denmark is Biotechnology major who, due to ongoing health conditions, is proudly finishing his associate's degree program after seven years of study. The 25-year-old from Lafayette Hill was diagnosed with pancreatitis when he was 7 years old and dealt with the illness for eight years before he had surgery to remove his pancreas. The effects of the surgery prevented him from finishing high school and instead he completed his GED certificate.

In 2017, Zachary enrolled at Montgomery County Community College to restart his academic career but soon found a full courseload to be too physically taxing for him, requiring him to take a break from college. After the break, he returned to MCCC and was able to make tremendous progress.

Utilizing MCCC's resources, including the Testing Center, for support in completing his assignments, he began to excel in the classroom and eventually made the Dean's List. In fact, Zachary was selected as a participant in a unique project called the Merck Challenge. This project involved a collaboration among four Biotechnology students, two Computer Science students and two Engineering Science students, who were tasked to work together to prove whether automation through use of a robotic arm in Biotechnology is more accurate and efficient than human performance.

Zachary will begin working in a pre-apprenticeship program at the Wistar Institute biomedical research facility this summer. He then plans to transfer to Thomas Jefferson University for a two-year bachelor's and master's degree program in Biotechnology, so he can one day begin researching non-opioid pain medication. Zachary said he hopes his story of overcoming obstacles to complete his goal will connect with his classmates and inspire them to continue to pursue their own dreams, no matter what stands in the way.

National Anthem

Jessica Tremblay

Jessica Tremblay is a graduating Health Care Administration major at Montgomery County Community College and the National Anthem singer. The 51-year-old has studied singing privately for many years off and on, singing most often in churches, smaller concerts or private gatherings.

A wife and mother of two daughters, 16 and 12 years old, Jessica was born in Boston. She lived in New York for the first 13 years of her life before moving to Germany. She then started singing as a teenager in a church choir in Wiesbaden, Germany, before taking private lessons. She moved back to the United States 16 years ago with her husband, a cellist, and the two worked as musicians for many years before deciding to expand their income by becoming insurance brokers.

In 2021, after their daughters returned full-time to in-person school, Jessica decided she needed to have a more in-depth understanding of her line of work. As a self-employed medical insurance agent, she wanted to learn the ins and outs of the American health care system.

She enrolled at MCCC that same year and gained an insight into the history of health care and how important it is to be present for a client or patient through every step in a health care setting. She also gained a better understanding of how to run her business, while exploring interests through elective classes like modern art.

Jessica is enormously proud to be selected to share her voice before her fellow classmates at Commencement this year.

While every effort is made to ensure accuracy in the Commencement program, publishing deadlines sometimes prevent inclusion of candidates' names or may result in the use of names of persons not meeting graduation requirements. All honors indicated in this program are tentative. Official honors for diplomas and transcripts will be determined after final grades are reported. This program, therefore, should not be used to determine a student's academic degree status. A student's official transcript serves as the only definitive documentation of a student's academic degree status.

The statistics for the Class of 2024 are current as of April 23, 2024, when they were compiled for the program.
The final statistics will be calculated after final grades are reported.

Class of 1968 stats:

168 graduates:

- 4 magna cum laude
- 18 cum laude

Programs with the largest number
of graduates:

- Business
- Elementary and Secondary Education

Commencement was held in
the College Hall Auditorium,
7th Avenue at Fayette Street,
Conshohocken

Facts from the First Class

Spring 1968 Enrollment data:

1,378 total students:

- 957 males & 421 females
- Average age overall 21.8 years

Student organizations in 1967:

- Student Government
- "Montgazette" – student-run newspaper
- Chartered Business Club (for female business students)
- Triad – club open to all students that involved social, cultural and athletic activities

Commencement Traditions

History of the College

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members and an enrollment of 428 students in the former Conshohocken High School. Today, students enjoy the flexibility of learning at the College's campuses in Blue Bell and Pottstown and online.

Founded in 1964, and accredited by the Middle States Commission on Higher Education, MCCC has grown with the community to meet the lifelong learning needs of Montgomery County. MCCC boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree and certificate programs, as well as specialized workforce development training and certifications. MCCC is proud of the successes of its more than 90,000 alumni.

As an Achieving the Dream Leah Meyer Austin Alumni Award recipient, MCCC is positioned at the vanguard of national efforts to increase completion, improve learning outcomes, and remove barriers to access for all students. For eight years, MCCC was named one of the Most Promising Places to Work in Community Colleges in the nation for its work to enhance equity, diversity, and belonging. The College also is recognized regionally and nationally for its innovative technology, sustainability leadership, work with military veterans, and experiential learning opportunities.

The Commencement Ceremony

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of "Pomp and Circumstance" to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 57th Commencement, is proud to continue the traditions of the centuries.

Mace and Presidential Medallion

The headpiece of the Montgomery County Community College Mace consists of a golden eternal flame of knowledge embossed with the College seal, which symbolizes lighting the path of success for our students and their academic goals. The flame sits upon the images depicting MCCC's past, present, and future through our first campus location in Conshohocken, to Blue Bell, and then growth into online learning and Pottstown. The staff is made of wood, which represents the collective strength of community partnerships, employees, and trustees, bonded together to encompass MCCC's mission of serving the educational, workforce, and cultural needs of students and County communities.

The Presidential Medallion, worn by MCCC's president, is imprinted with the College seal on the front and the president's name on the back. Each side of the chain has three identical ornamental components: the Lamp of Learning, which represents higher education and the continuous search for wisdom and knowledge; the Tree of Life, which represents personal development and growth as an institution forged through our unique and diverse perspectives; and the Hands, which represents our continued commitment to partnerships and building community to drive success for students at the College and beyond. Between each symbol is a red gem, which represents one of the College's primary school colors and the importance of keeping the vision, mission, and values as a central focus of how we live and embody the values of the College in our daily lives.

Commencement Traditions

Academic Regalia

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth-century castles. Over the years, robe styles and colors have taken on specific meanings.

Gowns for those receiving associate and bachelor degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell-shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

The Hood

It is the hood that gives color and definitive meaning to the academic attire. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer. During the College's ceremony, hoods are worn by faculty, administrators, and staff.

College Medal

The Student Commencement Speaker is selected by a committee of College faculty and staff members to represent the graduating class. The medal awarded to the Student Speaker is engraved with the College's seal and strung from a red and white ribbon.

Gold Double Cord with Blue and Gold Tassels

Students who wear this cord are members of the College's chapter of Psi Beta, a national honor society for students attending two-year colleges, who plan to major or minor in psychology, as well as students who simply have an interest in psychology. Psi Beta students maintain a minimum GPA of 3.25 and have completed a college-level psychology course with a grade of B or higher.

Gold Tassel

The gold tassel worn by some of the College's students indicates that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

Green and Gold Double Cord

The green and gold double cord is worn by the College's Honors Program graduates. Honors Program students complete a minimum of 9-12 credits of Honors coursework and participate in extensive intellectual and community service activities.

Commencement Traditions

Light Blue and Gold Double Cord

The double light blue and gold cord worn by some of the College's students indicates that they are members of Mu Alpha Theta, the National Two-Year College Mathematics Honor Society. Mu Alpha Theta recognizes students who have completed two or more math courses beyond the pre-algebra level and have a cumulative math GPA of 3.5 or higher.

Navy Blue and Grey Cord

The navy blue and grey cord worn by some graduates indicates their membership in the Alpha Alpha Alpha Honor Society for first generation college students. Using the colors of Moravian College, where the society was founded, the colors are intertwined to demonstrate the connection we all have to each other.

Rainbow Cord

Available to all graduates, the rainbow cord signifies diversity and is worn as a sign of solidarity by members of the College community. The rainbow colors reaffirm the College's continuing commitment to diversity and equal opportunity.

Red and Black Cord

Students graduating with GPA Honors are represented by a single black and red cord for Summa (3.75 to 4.00 GPA), Magna (3.50 to 3.74 GPA) or Cum Laude (3.25 to 3.49 GPA) distinctions.

Red, White and Blue Cord

The red, white and blue cord worn by some of the College's graduates indicates these students have served or are currently serving in the armed forces. The tri-colored cord symbolizes our veteran students' dedication and service to our nation.

Royal Blue and Gold Double Cord

The blue and gold double cord is worn by the College's Future Business Leaders of America-Phi Beta Lambda graduates. Phi Beta Lambda students bring business and education together through innovative leadership and career development programs.

White Stole with Red Trim

Student athletes are honored by wearing a stole in the College's primary colors, emblazoned with the Athletics logo. The Athletics stole is reserved for student athletes who maintain National Junior College Athletic Association academic standards and compete at the varsity level.
