

58TH

COMMENCEMENT

MONTGOMERY COUNTY COMMUNITY COLLEGE

THURSDAY, MAY 15, 2025

BLUE BELL, PENNSYLVANIA

Program

*Processional**

*National Anthem**

Welcome

Special Greetings

Student Address

Teaching Excellence Awards

Presentation of Candidates for Associate Degrees and Certificates

Conferring of Associate Degrees and Certificates

Closing Remarks

*Recessional**

**The audience is requested to rise if able.*

For your convenience, live streaming of Commencement can be viewed at **mc3.edu/gradlive**.

The Commencement Committee would like to specially thank all the alumni, faculty, staff, students and Board of Trustees volunteers for their assistance in the 2025 Commencement Ceremony.

The 2025 Commencement Ceremony is co-chaired by Tiffany Bregovi, Director of the Montco Cultural Center; Eric Karol, Director of Academic Technologies and Digital Experience; Sarah Schenk, Operations Manager of the Montco Cultural Center; and Dr. Tyler Steffy, Director of Student Life.

#MontcoGrad #MontcoFamily #HowDoYouMontco

Student Address

Ruby Armor

Ruby Armor, of Lansdale, will be earning her associate's degree in mechanical engineering science. As a student, she has spent her time immersing herself in hands-on science projects that have shaped her both academically and personally.

Since 2023, Ruby served as team manager of Project Innova, an engineering project involving the creation of an urban concept hydrogen fuel cell vehicle. She led a team of students in the development of the vehicle that placed second in its division in the 2024 Shell Eco-marathon Americas Challenge, held at the Indianapolis Motor Speedway.

In 2024, Ruby participated in the Merck Automation Challenge, where engineering and computer science students collaborated to program KUKA six-axis industrial robotic arms to resolve a simulated manufacturing breakdown at the fictional "Monty Chemical Company." As part of the challenge, the students developed a proof-of-concept automation system and conducted data analysis.

Ruby also participated in an independent astronomy study, where she operated the research-grade optical telescope in the Advanced Technology Center observatory and contributed to the NANOGrav collaboration in radio astronomy. It was through this project that she helped build horn radio antennae and worked alongside peers from Penn State Abington to create a research conference poster.

Ruby was named to the Dean's List three times and is a member of the Alpha Kappa Zeta chapter of Phi Theta Kappa, the international honor society for two-year colleges. In 2025, she helped establish the STEM Club on Blue Bell Campus, where she serves as vice president. Outside of school, she works at Sorrentino Pasta and Provisions in Ambler.

After graduation, Ruby plans to transfer to a four-year institution to pursue a bachelor's degree in mechanical engineering, with long-term goals of working in research and space technologies. She is endlessly grateful to everyone at the College who helped her find direction, purpose, and passion.

National Anthem

Kayla Horger

Kayla Horger, of Pennsburg, will be earning her associate's degree in music. She first enrolled at the College in the summer of 2022 as a liberal studies major, but then decided to pursue her passion for musical theatre. Ultimately, that decision led Kayla to switch her major to music as well as launch the Musical Theatre Club on the Blue Bell Campus.

Kayla has been singing professionally since she was a child in the Bel Canto Children's Choir, where she was a member until she was 18 years old. The group has performed internationally and at special events, including a performance before the U.N. She would go on to perform at the U.N. a second time while studying as a vocal major at Lehigh Valley Charter High School for Performing Arts. She plays several instruments, including ukulele, piano, guitar and autoharp.

Most recently, Kayla represented the College when she sang the National Anthem at the 2024 Tri-County Suburban Realtors Board of Directors Installation at the Blue Bell Country Club. She also performed two solo pieces at the 2024 Spring Performing Arts Showcase. In addition, she was among a group of student singers who performed at the 2025 Achieving the Dream national conference in Philadelphia.

Aside from music, she is actively involved in Montco Radio, hosting "The Beatles Bakery" and serving as the group's vice president. She also works as a federal work study student in the Admissions Office and received the Excellence in Liberal Arts Award for Music Excellence.

After graduation, she will transfer to Kutztown University as a sophomore music major in pursuit of a career as a music therapist.

While every effort is made to ensure accuracy in the Commencement program, publishing deadlines sometimes prevent inclusion of candidates' names or may result in the use of names of persons not meeting graduation requirements. All honors indicated in this program are tentative. Official honors for diplomas and transcripts will be determined after final grades are reported. This program, therefore, should not be used to determine a student's academic degree status. A student's official transcript serves as the only definitive documentation of a student's academic degree status.

MONTGOMERY
COUNTY COMMUNITY COLLEGE

The statistics for the Class of 2025 are current as of May 13, 2025, when they were compiled for the program. The final statistics will be calculated after final grades are reported.

Commencement Traditions

History of the College

Montgomery County Community College started its first semester on October 3, 1966 with 17 faculty members and an enrollment of 428 students in the former Conshohocken High School. Today, students enjoy the flexibility of learning at the College's campuses in Blue Bell and Pottstown and online.

Founded in 1964, and accredited by the Middle States Commission on Higher Education, MCCC has grown with the community to meet the lifelong learning needs of Montgomery County. MCCC boasts a nationally recognized faculty and a comprehensive, rigorous curriculum that includes more than 100 associate degree and certificate programs, as well as specialized workforce development training and certifications. MCCC is proud of the successes of its more than 90,000 alumni.

As an Achieving the Dream Leah Meyer Austin Alumni Award recipient, MCCC is positioned at the vanguard of national efforts to increase completion, improve learning outcomes, and remove barriers to access for all students. For nine years, MCCC was named one of the Most Promising Places to Work in Community Colleges in the nation for its work to enhance equity, diversity, and belonging. The College also is recognized regionally and nationally for its innovative technology, sustainability leadership, work with military veterans, and experiential learning opportunities.

The Commencement Ceremony

The Commencement Ceremony, with all its pomp and pageantry, brings together a long history of traditions dating back to the Middle Ages when undergraduates and scholars at Oxford and Cambridge adopted the simple robes of the Benedictine monks. From the strains of "Pomp and Circumstance" to the wearing of the academic regalia, Montgomery County Community College, which today celebrates its 58th Commencement, is proud to continue the traditions of the centuries.

Mace and Presidential Medallion

The headpiece of the Montgomery County Community College Mace consists of a golden eternal flame of knowledge embossed with the College seal, which symbolizes lighting the path of success for our students and their academic goals. The flame sits upon the images depicting MCCC's past, present, and future through our first campus location in Conshohocken, to Blue Bell, and then growth into online learning and Pottstown. The staff is made of wood, which represents the collective strength of community partnerships, employees, and trustees, bonded together to encompass MCCC's mission of serving the educational, workforce, and cultural needs of students and County communities.

The Presidential Medallion, worn by MCCC's president, is imprinted with the College seal on the front and the president's name on the back. Each side of the chain has three identical ornamental components: the Lamp of Learning, which represents higher education and the continuous search for wisdom and knowledge; the Tree of Life, which represents personal development and growth as an institution forged through our unique and diverse perspectives; and the Hands, which represents our continued commitment to partnerships and building community to drive success for students at the College and beyond. Between each symbol is a red gem, which represents one of the College's primary school colors and the importance of keeping the vision, mission, and values as a central focus of how we live and embody the values of the College in our daily lives.

Commencement Traditions

Academic Regalia

Dating back to the Middle Ages, the wearing of caps, gowns and hoods at college and university functions was a means for scholars and students to keep warm in the damp and drafty halls of twelfth-century castles. Over the years, robe styles and colors have taken on specific meanings.

Gowns for those receiving associate and bachelor degrees, originally worn throughout undergraduate study, have semi-stiff yokes, long pleated fronts, and intricate shirring across the shoulders and back. The gowns are worn closed and are primarily distinguished by their long, wide and pointed sleeves.

Gowns for those receiving master's degrees have the same yoke effect as that of the bachelor's, but they are designed to be worn open or closed. The sleeves of these gowns are open at the wrist to allow the hand to be free. The portion of the sleeve below opening is straight at the back, and has long semi-circular cut-outs in the front of the sleeve.

Gowns for those earning doctoral degrees are also worn open or closed. These gowns are distinguished by bell-shaped sleeves and velvet trimmings. Panels of velvet face each side of the gown opening in front and around the neck. Each sleeve is faced with three horizontal velvet bars. The velvet may be black to match the gown or at the option of the wearer, it may be the color which is distinctive of the department in which the wearer's degrees have been conferred.

The Hood

It is the hood that gives color and definitive meaning to the academic attire. The hood is lined with the color or colors of the institution conferring the degree and is bordered with velvet of the proper width and color to indicate the field of learning of the wearer. During the College's ceremony, hoods are worn by faculty, administrators, and staff.

College Medal

The Student Commencement Speaker is selected by a committee of College faculty and staff members to represent the graduating class. The medal awarded to the Student Speaker is engraved with the College's seal and strung from a red and white ribbon.

Gold Double Cord with Blue and Gold Tassels

Students who wear this cord are members of the College's chapter of Psi Beta, a national honor society for students attending two-year colleges, who plan to major or minor in psychology, as well as students who simply have an interest in psychology. Psi Beta students maintain a minimum GPA of 3.25 and have completed a college-level psychology course with a grade of B or higher.

Gold Tassel

The gold tassel worn by some of the College's students indicates that they are members of the Alpha Kappa Zeta or Beta Tau Lambda chapters of Phi Theta Kappa, which is the international honor society for two-year colleges. Phi Theta Kappa recognizes and encourages scholarship through a variety of activities which promote fellowship, leadership and service. To be a member of Phi Theta Kappa, students must maintain a 3.5 GPA.

Green and Gold Double Cord

The green and gold double cord is worn by the College's Honors Program graduates. Honors Program students complete a minimum of 9-12 credits of Honors coursework and participate in extensive intellectual and community service activities.

Commencement Traditions

Light Blue and Gold Double Cord

The double light blue and gold cord worn by some of the College's students indicates that they are members of Mu Alpha Theta, the National Two-Year College Mathematics Honor Society. Mu Alpha Theta recognizes students who have completed two or more math courses beyond the pre-algebra level and have a cumulative math GPA of 3.5 or higher.

Navy Blue and Grey Cord

The navy blue and grey cord worn by some graduates indicates their membership in the Alpha Alpha Alpha Honor Society for first generation college students. Using the colors of Moravian College, where the society was founded, the colors are intertwined to demonstrate the connection we all have to each other.

Rainbow Cord

Available to all graduates, the rainbow cord signifies diversity and is worn as a sign of solidarity by members of the College community. The rainbow colors reaffirm the College's continuing commitment to diversity and equal opportunity.

Red and Black Cord

Students graduating with GPA Honors are represented by a single black and red cord for Summa (3.75 to 4.00 GPA), Magna (3.50 to 3.74 GPA) or Cum Laude (3.25 to 3.49 GPA) distinctions.

Red, White and Blue Cord

The red, white and blue cord worn by some of the College's graduates indicates these students have served or are currently serving in the armed forces. The tri-colored cord symbolizes our veteran students' dedication and service to our nation.

Royal Blue and Gold Double Cord

The blue and gold double cord is worn by the College's Future Business Leaders of America-Phi Beta Lambda graduates. Phi Beta Lambda students bring business and education together through innovative leadership and career development programs.

White Stole with Red Trim

Student athletes are honored by wearing a stole in the College's primary colors, emblazoned with the Athletics logo. The Athletics stole is reserved for student athletes who maintain National Junior College Athletic Association academic standards and compete at the varsity level.
