

# Writing a paper? Tutor.com can help.

Once you are logged in, you can choose to connect with a **tutor on-demand** for feedback or opt to submit your work to Tutor.com's **Drop-off Essay Review** service. Where you are in the writing process will determine the best and most effective option for you:

## BRAINSTORMING STAGE

**A live session will give you the best results.**

### Connect with a tutor to:

- Discuss the ideas that will form the content of your essay
- Work through questions to gain a better understanding of your subject
- Research credible sources and gather information

### Helpful Hint:

As you work with your tutor, sharing all information that you have on your assignment will help ensure a productive tutoring session.

## ORGANIZING/OUTLINE WRITING STAGE

**We recommend a live session, but you can also choose to drop off.**

### Your tutor will help you:

- Organize your thoughts and ideas
- Develop a clear plan for your essay

### Helpful Hints:

**A live tutoring session** will work best if you have questions and concerns about organizing your essay. If you need feedback on a draft or outline, you may choose a live session or to drop off your essay.

If you **drop off an outline**, make sure to indicate whether you are turning in the outline as an assignment or you would simply like feedback on your organizational plan before you start drafting your essay.

## DRAFTING STAGE

**Choose a live session OR a drop off session.**

### Your tutor will help you:

- Compose a strong thesis statement, unified paragraphs and a sound conclusion
- Guide your revisions as you work on your next draft or final version

### Helpful Hint:

If you choose to **drop off your essay**, make sure you fill out the pre-session form with the assignment details so your tutor knows how to give you the best advice.

Make sure to incorporate any necessary revisions from a prior drop off session before submitting the document again.

## FINE-TUNING STAGE

**Choose a live session OR a drop off session.**

### Your tutor will help you:

- Revise and edit your essay with additional guidance
- Proofread your essay for errors to help you become a more independent writer

### Helpful Hint:

If you choose to **drop off your essay**, make sure you fill out the pre-session form with the assignment details so your tutor knows how to give you the best advice.
